## a little about us

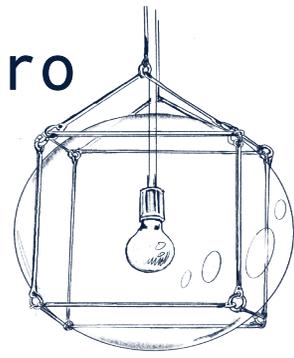

1417 French Bistro is a warm and friendly neighborhood restaurant that embraces the culture of dining at a true French bistro. Owner Allison Welsh designed the desirable space to feel inviting, yet elevated with modern artwork, mid-century furniture and a lush array of plants.

The cocktail program is a mix of classics like sidecars and sazeracs along with original cocktails...that should not be overlooked.

We all work as a team, so if you see multiple smiling faces assisting your table for whatever you need, this is why!
