RESERVE MULTIPLE TABLES

Our booths are designed to accommodate 4-5 guests comfortably. However, if you need more space to accommodate your friends, you have the option to reserve the adjacent tables as well for an additional \$100 fee. There is no time limit to occupy the table.

SECURING YOUR TABLE RESERVATION IS AS EASY AS DO-RE-ME

Simply book your preferred table, arrival time, and date on our TABLE RESERVATION tab on our website. Our friendly team will guide you through the process and answer any questions you may have.

We only have seven tables available for reserving starting at 7:00pm. The last chance to reserve tables is at 10:30pm, so make sure to plan accordingly. Tables will be forfeited 15 minutes after the reservation time if guests do not arrive.

Upon arrival, notify the security guard that you have a reservation under the host's name. You will be directed to pay the table reservation fee to the bartender, plus an automatic 20% gratuity. Then you will be provided the expedited karaoke tickets, 2 per table reservation. After ordering your drinks at the bar, find your table, settle in, and get ready to immerse yourself in an unforgettable night of entertainment.
