AN URBAN VENUE

ABOUT US

Blanco, an Urban Venue, is the Bay Area's premier event space in historic downtown San Jose. This charming building has been transformed into a three-story, 8,000-square-foot blank canvas ideal for weddings, corporate and social events. Blanco has kept the allure of this historic building by refurbishing some of its original features, like its 150-year-old brick walls. Located in the heart of Silicon Valley near San Jose International Airport, along with numerous hotels and restaurants, Blanco is a stylish space with an old-world appeal perfect for your next social gathering or corporate event.

The versatility of Blanco's indoor and outdoor spaces work seamlessly for larger events, yet allow for smaller gatherings to feel cozy and connected. Blanco is a perfect venue for event planners looking to test the boundaries of experimental design, or change up the typical boardroom setting for business meetings or office retreats.
