Use of Space:

Decoration - Space comes "as is" but we welcome the addition of decorations to help make your event special. Please let us know what you are planning and how we can help.

Entertainment - For a Full Oak Room Buyout or Complete Venue Buyout, the host has the option of providing their own entertainment such as a band or a DJ. The host or professional would need to provide their own sound system or PA as we do not have either. We do have electrical outlets in both our indoor or outdoor spaces. For outdoor entertainment it will be important to know that there may be time restrictions for music as noise ordinances may be in effect due to our proximity to a residential neighborhood. The addition of Jukebox credits can also be added to the tab for a Full Venue Buyout.

Parking - Parking spaces are available on-site for guests. Additional parking after 5pm and on the weekends is available in the well-lit lot of the building located to the north of us, as well as a block north and on the left near the entrance to the Sunken Gardens.
