

## THE WEST SIDE

Enter the Canal Club through Frank Gehry's Marble Arch and go West to one of the great event spaces in Venice! The West front of the Canal Club is dominated by six large booths with marble tables that can each accommodate up to six guests. Across from the booths is the sushi bar which can also function as a buffet, bar or hors d'oeuvre station. Combine this area with the Kinney room and you have the West Side, a space for 140 or more cocktail party or as a perfect reception cocktail area for a dinner to later happen in the Kinney Room.
