Aside from boasting great views, the rooftop bar is open year round and offers enclosed indoor and heated outdoor seating. A smaller, more intimate balcony is located off the eastern side of the bar with single party seating and city exposure through openings in the hotel’s arching limestone exterior. Cloud Social can accommodate nearly 120 guests. The rooftop venue offers happy hour specials from 3:00 p.m. to 7:00 p.m. every day, including select \$4 to \$6 beer, wine and shot specials. However, great prices aren’t limited to just happy hour; craft beers regularly start as low as \$8, wine \$10 and mixed drinks \$12.
