A TASTE OF
— EXCELLENCE —

The versatility of our space makes us a great choice for hosting your event, large or small. We have become a premier destination for Private Events hosting all types of affairs for NYC's most successful and recognized businesses from cast parties for Broadway's biggest shows to personal birthday parties and everything in between. We also offer many options for almost all budgets so we encourage you to stop by or contact us at any time so you can experience our offerings firsthand.

When you plan your special event or private party with us you will receive caring and attentive service from the moment you inquire until the event is complete. We take pride in helping you create the ambiance you desire by discussing the optimal room layout and décor along with the many creative food and beverage options we offer. We will also happily work with you respecting your budget specifications and any special requests you may have. We know how overwhelming event planning can be so a qualified Event Manager is always available for any questions or requests you may have.

We are conveniently located in Midtown Manhattan close to all major mass transit, Grand Central Terminal, Penn Station, Port Authority and an abundance of midtown taxis so no matter where your guest are arriving from or going to they will have many options close by. We are also steps away from popular New York hot spots such as Times Square, Broadway and Bryant Park so all these options can only add to your guest's experience.

Main Floor Dining Room up to 20 guests
Two semi-private sections located near the entrance to the dining room are available. One has seating in our comfortable leather banquette booths for up to 12 guests with tables or can be arranged as open space for 20 in a casual cocktail setting. The other space is nestled between our front window and corner of the bar. This area offers direct bar access and seating on bar chairs along our drink rail which wraps from the bar to the large windows. This is a more casual atmosphere for social gatherings of up to 20 at a time.

Banquet/Private Event Room up to 120 guests
Spacious lower level, ideal for corporate meetings, dinner parties, wedding receptions or any private event you have in mind. This 1000+ sq. foot room lined with comfortable leather banquette booths, exposed brick wall and bar with hardwood floors can accommodate groups of up to 120 in a cocktail/buffet setting or a 70 person sit down dinner. It offers various options for seating, has a full bar, fully equipped DJ booth and private restrooms. Featuring a state of the art sound and video system (device compatible), this separate and private room is fully equipped to handle all A/V requests and can accommodate speakers, seminars, presentations and the ability to host live music.
* For more details about this space please see additional information below.

Entire Bi-Level Space up to 300 guests
If you're looking for space that can accommodate 120-300 guests both floors of our bi-level Restaurant / Bar / Lounge can be available. This option gives you the ability to have 2 distinct atmospheres if desired. You'll enjoy the entire main floor dining room with table seating for 65 guests and an additional bar seating for 20 (or up to a total of 180 in a cocktail setting) while the lower level banquet room can be utilized as either 65 additional table seats, room for 120 additional guests in a cocktail setting or as a full lounge for dancing/live music using our DJ Booth/live music set up.
