

## eclipse chocolate: wedding & celebration cake orders

our cakes are baked onsite from scratch, using all-natural ingredients. each begins with three layers of chocolate or vanilla butter cake with two layers of rich filling in between. cakes are then capped with chocolate ganache or vanilla swiss meringue, encrusted with roasted white chocolate, & topped with a unique garnish. individual cupcakes are available as needed from our pastry cases in rotating flavors, or you can order a box of your favorites – 18 cupcakes fill our eco-friendly three-tier display which is free with an order of 2 boxes. a square footed display is complimentary with every petite cake order.
