

Peking Duck Highlight:
- CAVIAR ROAST DUCK -

Prosperity

Peking Duck is prized for its thin, crisp skin and tender meat, achieved through a meticulous process of glazing and roasting. Enjoy the Year of the Horse with a gold roast, symbolizing *strength, loyalty, and prosperity.*

Carefully carved roast duck, delicately layered over refreshing honeydew melon, paired with sweet black bean sauce on a buttery, house-made bun crust, and finished with sturgeon caviar.

This "treasure box" echoes the refinement of the traditional Peking duck experience, offering two distinct styles of tasting.

Served with fresh, thinly sliced scallion and honeydew melon, duck sauce, and thinly made pancake wraps.
