Our portable wood-burning oven is a perfect way to provide a memorable experience to your guests. Whatever your occasion, your guests will feel special with delicious food made from high-quality ingredients that is prepared just for them.

## OUR INSPIRATION

We are firmly rooted in the tradition of Neapolitan pizza—a thin-crust pizza with a puffy edge. A few flavorful ingredients applied in just the right proportions and cooked in the blazing heat of a wood fire—it could hardly be more simple, but the result is truly special.

We take inspiration from the food culture of Italy, where it is understood that a meal made from humble ingredients shared with those who are important to you is one of life's great pleasures. It is this philosophy that guides what we do.

## YOUR EXPERIENCE

We will bring our trailer-mounted oven to the location of your choice—your home, office or school, a park, a farm or almost any other location you desire. We set up our prep kitchen under a tent, and your guests come to us when they want to eat.

We have a choice of made-to-order and table runners (details below). For smaller groups, our *Intimo* and *Artigiano* services replicate the experience of dining in a Neapolitan pizzeria, where pizzas are personal-size and made to order, cooking in just 90 seconds. This provides the absolute freshest food and the most personal guest experience.

For larger groups, our *Famiglia* (family-style) package is recommended. Once guests are seated, family-style salads and appetizers are delivered to the tables. While guests are eating their salads and appetizers, pizzas are brought out to three to four tables at a time until we have served the entire party. When it's all over, we quietly break down our equipment, hook up the tow vehicle and discreetly exit the scene.

## QUOTING & BOOKING PROCESS

- 1 In order to accurately quote for your event, we need the **date, time, location and an estimate of your guest count** (which can be revised up to 2 weeks before event day).
- 2 To accept the quote, return the contract to us with the specified deposit (50% of the total amount based on your estimated guest count). **Your date is not reserved until we receive your deposit.**
- 3 You will receive confirmation that your date is reserved.
- 4 As your date approaches, we will contact you for an updated final guest count. Your bill will be calculated from your final guest count less the amount of your deposit. Payment (via check) is due prior to your event.
- 5 Please note that the *Famiglia* service requires a larger physical space and therefore can only be contracted with a confirmed location.

## FREQUENTLY ASKED QUESTIONS

---

### Is my group too small or too large?

No group is too small for us, but we do have a minimum charge. See the “Pricing” section of this document for details. Our *Intimo* service is perfect for small groups and can even accommodate up to 50 guests. For larger groups, our *Artigiano* service includes pizza for up to 50 guests, and can be extended up to 150 guests on a per-person basis, with salads and desserts available at additional charge. For certain types of events it may be possible to accommodate larger group sizes—please ask for details. Our *Famiglia* or family-style service provides table runners and is perfect for groups of 100 to 250.

### Do you provide plates/napkins/cutlery?

We serve on high-quality compostable paper plates—the best and most durable we can find. We provide paper napkins and cutlery made from 100% recycled plastic.

### Can you set up at my location?

Most locations that are fairly flat and level are suitable, including pavement, gravel and grass. Unpaved surfaces must have pull-through access to drop the oven directly from the truck. On most paved surfaces, we can push the oven into place if necessary. *Famiglia* service requires a larger footprint.

### When will you arrive?

We will arrive about 1 hour before the start of service to set up our equipment and pre-heat the oven. Note that some weddings require us to come earlier in order to avoid disturbing the ceremony, and an additional charge may apply to cover the extra staff time. See “Additional Charges” in the Pricing section for details.

### How long will you stay to serve pizza?

We will suggest a service window based on your guest count. It will provide ample time for your guests to enjoy pizza at a leisurely pace, but still give your event a coherent feeling. Note that some weddings require us to come an hour early in order to avoid disturbing the ceremony.

### What if my guests want more than one pizza?

We bring extra pizza dough to every event and can in most cases make extra pizzas. Most guests will find that a single Pizza Brutta pizza makes a nice meal, but some may want more, or wish to share another in order to try different flavors. With *Intimo* and *Artigiano*, our per-guest charge assumes that a percentage of your guests will enjoy a second helping which is included in the price.

### What happens if it rains?

We can cook and serve in light to moderate rain, though severe weather may require suspension of service. In most cases the more immediate concern is keeping guests dry. We watch the forecast closely and will work with you if rain is forecast for your date. There are more details contained in our contract proposal, so when you receive your quote, please read it thoroughly.

### Can you accommodate special diets?

We can accommodate a limited number of gluten-free and vegan diners with advance notice, and our menu always contains vegetarian options. Any pizza can be prepared dairy-free by omitting cheese, as we do not use any dairy-free cheese substitutes, and our dough contains no dairy. Our kitchen is not kosher/halal, and all of the pizza meats are pork-based. If you do not want pork on your menu, a vegetarian menu is suggested.
