

Project Pizza 2023 Learning Garden Grant

The mission of the Project Pizza Learning Grant is to supply funding to schools and other child-based organizations so they may create a learning garden or expand one that has already been established. The focus of the grant is to increase food literacy in young minds.

Applicants must only apply for this grant if they will serve any nonprofit organization, that serves at least 15 youth between the ages of 2 and 18. This includes public or private schools, or youth programs in Larimer, Boulder, Weld, or Denver Metro Counties in Colorado. Applications are accepted every quarter and end on the last day in March, June, September, and December. The selection of winners is based on demonstrated program impact and sustainability. The grant is \$500. For the awardees of the grant and the students involved in the creation and maintenance of the learning garden, Project Pizza will also throw a pizza party at the location of the garden.

Winners will be announced as soon as a decision is made.

Youth of Color

Youth of Undocumented Families

Youth with Disabilities

Youth with Special Needs

N/A

Other. Please list:

Garden Program Description

Is your garden program already established (i.e., you have a pre-existing garden or have previously conducted garden programming at your site) or are you just getting started (i.e. you do not have an active garden or garden program at your site)?

New/Start-up Garden Program

Established Garden Program

How many months of the year will you be facilitating garden-based activities?

Provide a concise overview of your garden program's mission and education goals.

If you are reaching your target audience through alternative hands-on gardening experiences other than a traditional garden space (ie, take-home garden kits, hydroponic units, etc.), please describe here.

How do you plan to sustain your garden program in the future (e.g. ensure ongoing leadership; build partnerships; find sources and/or funds for plant materials, services, tools, etc.)?

Attachments

Optional Letter of Support. Please attach a one-page letter of support for your program written by someone other than the main contact. This letter can be written by an administrator, parent, or community volunteer demonstrating their support of and appreciation for your program.
