Hello Vendor!

We are writing to invite you to participate in our 4<sup>th</sup> Annual Rusty Gold Brewing Rib Cook Off to be held Saturday, August 5th, 2022.

Last year was an amazing event, with 10 BBQ Competitors from all over the Pittsburgh-Ohio Area, along with live music, axe throwing, other local vendors, and Local Pittsburgh Historian Rick Sebak as a judge. Over 600 people attended to sample and vote for their favorites.

In addition, we raised money for PA VetPets, a veteran-owned nonprofit that helps Veterans with PTSD. We were able to raise over \$5,000 for this great cause. This year we will be choosing a different non-profit to support.

The event will be held at Canonsburg Town Park, so that we may utilize our beautiful park and provide plenty of space for live music, local vendors, and additional activities.

Vendor spaces (10x10) are \$75 per day or \$125 for both days, the 5<sup>th</sup> will be the Rib Cook-Off, and the 6<sup>th</sup> will be animal rescue related. We will provide more information as it becomes available.

You must provide all the equipment you need for your product/service, including a tent and table. We would like to have a nice variety of vendors and will be limiting vendors who fall in the same category. Those to register and pay for the space will be given priority.

If you would like to join the fun or have additional questions, please call or text me at (724) 953-1539.
