

# 21 New Brunches To Try This Weekend

New Chicago brunch spots you should check out.

## The Duplex

The Duplex serves food from different chefs and restaurants every six months, and right now the menu has Mexican food from [Lime and Radish](#) and fried chicken sandwiches from [The Kluckerz](#). For brunch, the two have dishes like chilaquilas, shrimp and grits, French toast, and mimosa kits. Plus, they have a long cocktail list and a great sidewalk patio.
