### The Duplex

*Logan Square*

**Opening date:** June 2021

Aiming to offer a space for emerging chefs who wouldn't otherwise be able to open their own restaurant, LeQuinne Rice and chef David Rodriguez created The Duplex, a dining destination featuring rotating menus from local micro-concepts. Kicking things off this summer are fried chicken sandwiches from [The Kluckerz](#), Mexican-inspired cuisine from [Lime and Radish](#), and a collaborative weekend brunch menu from Rodriguez and the aforementioned chefs. Keep an eye on their website—the team plans to cycle in new menus and concepts every six months.
