

The background is a dark, atmospheric photograph of a restaurant interior. In the foreground, several dining tables are set with white tablecloths, glassware, and plates. In the background, a bar area is visible with shelves of bottles and a large screen displaying a blue, abstract image. The lighting is dim and warm, creating a sophisticated and intimate atmosphere.

# EVENT DETAILS & POLICIES

## SPEND MINIMUMS / GUEST MINIMUMS

- All food and beverage spend minimums are before tax and 20% large party gratuity.
- Select Sunday–Wednesday rooms operate on a minimum guest requirement. If your guest count does not reach the required minimum, a charge of \$75 per unmet guest (before tax and 20% large party gratuity) will be applied to the final bill.
- Children under 12 years of age do not count toward the minimum guest requirement, but do count toward the room's maximum capacity.
- If a food and beverage spend minimum is not met, the remaining balance will be applied to the host's final bill. Our team will confirm whether the balance will be handled as one check or divided evenly among guests.
- Final guest count is due seven (7) days prior to the event.

---

## FOOD & BEVERAGE

- Events at or under 40 guests may order from our General Menus, or our Preset Three Course Dinner Menu.
- In order to provide the optimal dining experience, all parties over 40 guests require our Signature Dinner Buffet.
- Per TABC regulations, outside alcohol is not permitted.
- Outside desserts are permitted with a \$40 fee added to your bill. Our service team is not responsible for storing, portioning, or the quantity an outside cake claims to serve.

---

## AMBIANCE PRESERVATION

- All private spaces are reserved for a 3-hour maximum seating timeframe.
- To preserve the integrity and elegance of the space, we do not permit balloons, confetti, glitter, open flames, or anything attached or adhered to the walls or ceilings.
- Small tabletop décor is welcome and may be placed upon arrival.
- No outside music or AV systems are permitted.

---

## DEPOSIT & BILLING

- A valid credit card is required to secure and hold your event date.
- A deposit of 20–50% of the food and beverage spend minimum may be required and will be applied toward the host's final bill.
- The credit card on file will be charged for any remaining balances and/or unmet minimums at the conclusion of the event.
- All credit card information is deleted and released after your event, pending no disputes on unpaid balances.
- Deposits are refundable up to 72 hours prior to your event.
- Cancellations within 24 hours of the event, or failure to appear, will result in either the room guest minimum per person charge or 75% of the food and beverage spend minimum (plus tax and gratuity), charged to the credit card on file.
