Since 1978, the Kitsilis family has been at the heart of Angelo's Palace Pizza, creating beloved Greek pizza and homemade Greek and Italian dishes that locals have cherished. Today, the family's story expands to Northern Cumberland with the new Angelo's Palace Pizza Express. The Express location is designed as a convenient, casual self-serve to-go concept, harkening back to the original restaurant in 1978. Though the menu is smaller, it's proudly featuring new items such as authentic Detroit pizza and Sicilian pizza to complement the classic Greek pizza that's been a family tradition since 1978. We're committed to using fresher, better ingredients like non-bleached, non-bromated flour, and we're thrilled to continue the tradition in Northern Cumberland.
