

MARKETING & PROMOTION

Please follow Gather Brewing Co on social media accounts such as Instagram and Facebook.

Gather Brewing has permission to use your photos in addition to any photos we take at our market days for promotion purposes on social media accounts in posts and 'reels'.

Gather Brewing Co will promote the market within our Brewery on signs and flyers.

We ask that each vendor share any posts we make as well as feel free to create flyers, memes, and posts of their own to share with family and friends. Please tag us in those posts so we can re-share!
