

VENDOR SPACE

Booth space is limited to a 10 X 10 space, in which the vendor is responsible to provide the pop-up tent, tables, displays, covers, and all necessary items for an aesthetically pleasing, professional booth set up. All canopies must be secured &/or weighted. You may not set up outside your tent space if it impedes into your neighbor vendor space. The Market Coordinator will assign booth location based on the composition of vendors. Requests for specific spaces are considered, but not guaranteed. The standard reservation fee is \$40 per booth space. We do have several discount opportunities (including a 100% fully refundable first-time vendor reservation fee). Those discounts will be further explained for you to choose via email with the approval of your application.

Gather Brewing Co cannot provide electricity for booths. Generators are allowed in a limited capacity. Please be sure to list the need on your application.
