

The Bubble Bars.

Alchemy Wine & Beer, a women and minority owned wine bar in the Village of Hamburg, retro-fit an old horse trailer into Buffalo's first Mobile Wine Bar. All you have to do is follow the floating bubbles (which we blast out the top of the trailer) and you'll find a wide variety of sparkling wines and more on tap.

Since hitting the road in Summer 2021 we've participated in farmers markets all over Western New York, dozens of private baby/bridal showers, wedding receptions, the Taste of Buffalo, Taste of Orchard Park. We were fan favorites at the public festivals as an alternative option to standard draft beer.
