

THE BURNS PUB & RESTAURANT FLIGHTS & OTHER SPIRITS

May, 2026

CURATED BY: JONATHAN ODDE

ABOUT OUR WHISKY SELECTION

This is not the largest selection in Colorado, or even the largest in the Denver-metro area. We simply don't have the space. But honestly, that's not what drives us. Each whisky is selected based on quality, uniqueness, and of course in a few cases, marketability. You will find knowledgeable experts on hand to help you select a truly satisfying spirit, so please feel free to call on one for recommendations, questions, or simply to chat. It's just what we do here.

HOW YOUR WHISKY IS SERVED

All of our whiskies, when not ordered in a cocktail, are served neat with a pipette of filtered water. It's assumed that you ordered the whisky to sip and allow the spirit to serenade you with the nuances and complexities the years of aging is intended to provide. Therefore, they are not served with ice (unless specified) as ice considerably restricts aroma, flavor and character. Likewise, they are not served as shots (unless specified) for essentially the same reason. With this in mind, if you wish to use ice or "shoot it", please specify this to your server.

WHISK(E)Y & SPIRITS FLIGHTS

Our flights are 3/4 ounce pours. Please be aware that flight may be unavailable during heavy business hours, but we always try to accommodate. If you want us to create a custom flight for you, ask your server to speak with a whisky specialist (when available).
