

# THE BURNS PUB & RESTAURANT WHISK(E)Y & SPIRITS

April, 2026

CARE-FREELY CURATED BY: JONATHAN ODDE

## ABOUT OUR WHISKY SELECTION

This is not the largest selection in Colorado, or even the largest in the Denver-metro area. We simply don't have the space. But honestly, that's not what drives us. Each whisky is selected based on quality, uniqueness, and of course in a few cases, marketability. You will find knowledgeable experts on hand to help you select a truly satisfying spirit, so please feel free to call on one for recommendations, questions, or simply to chat. It's just what we do here.

NOTE: WHISKIES HIGHLIGHTED IN RED ARE NEW ADDITIONS TO THIS MENU UPDATE

## HOW YOUR WHISKY IS SERVED

All of our whiskies, when not ordered in a cocktail, are served neat with a pipette of filtered water. It's assumed that you ordered the whisky to sip and allow the spirit to serenade you with the nuances and complexities the years of aging is intended to provide. Therefore, they are not served with ice (unless specified) as ice considerably restricts aroma, flavor and character. Likewise, they are not served as shots (unless specified) for essentially the same reason. With this in mind, if you wish to use ice or "shoot it", please specify this to your server.

## IRISH WHISKEY

As previously mentioned, Irish monks were the first to distill whiskey, then known as "uisce beatha" and later anglicized to the word we know today. Although the paths to Ireland's proud spirit is similar to Scotland's, the way they handled it was quite different, resulting in a typically lighter style, later known as "Single Pot Still Irish Whiskey". Unions reduced the number of distilleries to two at one point, but recently there has been a flood of new independent distilleries.

## WORLD WHISKEY

Scotland, Ireland and the US are renown the world over for producing whisky, but recently many countries are getting notoriety for their own take on it, most notably Japan. But elsewhere in the world we are starting to see accolades and prestigious awards going to other countries as well, including Israel, Wales, & Taiwan (among many others).
