We had our holiday party at Optimal Performance Golf in December of 2021. Our group had the best time. The food was exceptional! The staff helped us out with setting up games in the golf bays and making sure everyone had fun. We had a specific area just for our group. The atmosphere was perfect! I highly recommend them for parties, team building and client events.
Thank you Optimal Golf!

Julian and team are the best in town! Great place to bring friends, corporate events or just practice your short game. The putting green is like nothing else in the twin cities.

Absolutely, the best indoor golf facility I have ever been too. Incredible short game area unlike anything I have ever seen. Cannot recommend this place enough if you haven't seen it yet do yourself a favor and check it out! 5 stars doesn't do OPG justice.
