

# Gluten Sensitivity Menu Addendum

## **Gullifty's Gluten Sensitivity Statement:**

Gullifty's is not a gluten free facility. Because gluten is present in our kitchen, it is not possible to ensure that any of our menu items are 100% gluten free. We do everything we can to avoid having any minute gluten particles crossing onto gluten free items. Please use this menu as a guide to avoiding gluten at Gullifty's

## **Bar**

**Beers** - All Ciders and Spiked Seltzers

**Wines** - All of our wines are gluten free.

**Liquors** - All of our liquors are gluten free. Scan the QR code below to read about why all distilled spirits are considered by the FDA to be gluten free, even if they are made with wheat.
