Banquet Policy

Guest Count & Billing

- We charge based on the final number of guests in attendance. For example, if the booking party confirms 50 guests but only 45 attend, charges will reflect the 45 attendees
- If attendance falls vastly below the confirmed count (e.g., 50 expected and only 20 attend), The Restaurant reserves the right to charge for the original headcount to cover the cost of food and preparation
- Final guest counts must be submitted at least **48 hours** prior to the event to ensure proper preparation and to minimize waste

Tax & Gratuity

- Tax and gratuity are **NOT INCLUDED** in the per-person price. Sales tax (11% per Cook County regulations) will be added to the final bill.
- A 20% gratuity is **strongly** encouraged and will be evenly distributed among the service and kitchen staff.

Decorations & Entertainment

- The booking party is welcome to bring their own decorations and set up the space as they wish. DJs, live bands, and other entertainment may be arranged at the booking party's expense. This is allowed as long as it does not exceed room capacity or block emergency exits. Please note that The Restaurant does not provide decorating services or entertainment services.

Beverage & Bar Options

- All non-alcoholic beverages (soft drinks, coffee/tea, juice) are included in the per person price
- A full bar is available. You may select no bar, cash bar, or open bar service for your event

Outside Desserts

- With prior notice, the booking party may bring in outside cakes, desserts, or other treats—pending approval by The Restaurant
