**CHARLESTON, S.C. (October XX, 2023)** [Republic Development & Management Group](#), a prominent South Carolina-based hospitality group renowned for its exceptional portfolio of luxury restaurants, lounges, and nightlife venues, has officially opened [Lamar's Sporting Club](#). This marks the debut of their premier sporting club concept, appealing to the upscale sporting class of the Lowcountry.

"The launch of Lamar's Sporting Club marks a significant achievement in Republic DMG's journey. The brand-new sporting club offers a sophisticated retreat for the Lowcountry's sporting elite, allowing guests to enjoy their favorite sports while also engaging in lively nightlife" said Lamar Bonaparte, owner of Republic DMG. "We take great pride in introducing Charleston to Lamar's Sporting Club, which innovatively combines exclusivity, sports, and nightlife, and we'd like to extend an open invitation to both locals and tourists to join us for a weekend night out or to watch football on Saturdays and Sundays. We hope to see you at Lamar's on your next visit to Charleston's King Street."

Tailored for clients who appreciate nightlife, sports, and exclusivity, Lamar's Sporting Club offers an intimate 2,000-square-foot lounge with a timeless and upscale ambiance. The space features opulent elements like dark wood paneling, chandeliers from Prague dating back to the 1800s, subdued lighting, and plush leather banquettes, sofas, and cocktail tables. The decor is a reflection of the sporting club lifestyle, incorporating carefully selected elements such as modern-vintage artwork, wildlife on display, and eclectic bookshelves, one of which provides a hidden entrance to neighboring Republic DMG-owned venue Bourbon N' Bubbles that guests can access.

Behind lush hunter green velvet curtains are ten television screens dedicated to broadcasting weekend football games. The space also features a wooden DJ booth, where a house DJ spins Studio 54 classics on weekend nights. The live entertainment takes center stage, perfectly complementing the beverage offerings and ensuring a one-of-a-kind experience filled with exceptional service, first-rate amenities and a lively atmosphere that seamlessly blends sports and entertainment.

Setting the stage for an unmatched degree of personal attention and luxury, Lamar's Sporting Club boasts an exquisite menu of handcrafted classic cocktails, including Lamar's Old Fashioned with Woodford Reserve Bourbon, brown sugar simple and bitters; Espresso Martini with Tito's Handmade Vodka, espresso, and house-made vanilla whipped cream; Boulevardier with Elijah Craig small batch bourbon sweet vermouth and Campari; and Vesper with Bombay Sapphire gin, Grey Goose vodka, and Lillet Blanc, to name a few. Additionally, a wide array of premium spirits, beer, and wine, as well as exclusive brunch-inspired fare from starters to small and large plates, are also available.

Lamar's Sporting Club maintains its exclusivity by offering reservation-only access to its vibrant nightlife experiences. Guests seeking to experience the sporting club element available to the public can make reservations on [Resy](#) (includes 'entry only' access allowing guests to order and enjoy beverages from the bar; does not include a reserved table for seating). The venue can be reserved for private events and buyouts, allowing guests to organize gatherings, celebrations or corporate meetings within the nightlife destination. Additionally, membership applications are now being accepted, with full details available at [lamarssportingclub.com](#).

Lamar's Sporting Club serves up its reservation-only nightlife experience on Fridays and Saturdays from 8 p.m. to 2 a.m. Brunch is also available on Saturdays and Sundays beginning at 11 a.m. with no reservation required, for those looking to enjoy football season and their preferred weekend match-ups.
