Format

2-person teams | Match-Play | 2nd Ball Breaks the Tie

You and your partner will play 9-holes each week. Your hole-by-hole scores will be compared to every other team's hole-by-hole scores. Your team can win a hole in 2 different ways (Player A & B are teammates vs. Players C & D):

1.) Player A = 3 Player B = 4 Player C = 4 Player D = 4

Team A&B wins the hole since player A had a lower score than both C & D.

2.) Player A = 3 Player B = 4 Player C = 3 Player D = 5

Team A&B wins the hole. Since A & C tied, we then look to players B & D to break the tie.

Points: Match won = 2 | Match Halved = 1 | Hole won = 1 | Hole Halved = 0.5

Scheduling

All league weeks start on Monday. You may play your 9 holes M-Th from 10a-10p, Friday from 10a-5p (must be done by 5p), or Sunday from 9a-6p. If you are unable to play during a given week, you can schedule a makeup for that week anytime before the season ends. We ask that you attempt to make any missed weeks up as soon as possible so we can keep the standings up to date and accurate. Upon registration, each player will receive 5 credits to book your team's times throughout the season. You may choose which teammate books which times, but you both must book half of your rounds. Individual make-up rounds will not be allowed at any point throughout the season. If one player on a team must miss a week, both players need to find time to play that round together.

Tees

Men will play from the **BLUE TEES**

Women will play from the **GREEN TEES**

Handicaps

Week 1 of the season will be used to establish your individual handicaps. There are no points up for grabs during week 1. Your initial handicap will be in play starting week 2. All scores will count toward your handicap, and your index will be updated weekly. The maximum score on any given hole is net double par (i.e. a net 8 on a par 4).

Scoring

All scoring will be done using the Golf Genius tournament software. At least one player on each team needs to have the Golf Genius mobile application available and ready to use. You will receive an email from Golf Genius no later than Friday, September 27th. Please use the link in the email to register for a Golf Genius account. You will enter each player's hole-by-hole scores into the app during your round, and the leaderboards will update in real-time. Scoring will be finalized and published each Monday following the week's play.
