## The Name

In October of 2016, my construction company was getting ready to embark on a large commercial project. In lieu of renting a jobsite trailer, I bought a 1971 Airstream for our site office. Being the beer lover that I am, I joked with my team about putting the office equipment in the front of the trailer and the lounge in the rear. "Business in the front, party in the back!" I exclaimed as the name of the Airstream was born; "The Rollin' Mullet".
