

Lover's Lunches for Two

Romantic spirit is evident in these marvelous luncheons-for-two...a perfect gift for newlyweds, the couple that just moved into a new house, or that special loving pair who simply love good food. Since our Lover's Lunches are specially prepared, we will need 24-hour notice. We will pack the lunches in an attractive box, so nothing needs to be returned. Lover's Lunches are a fabulous idea for yourself, too - consider one for a lazy Sunday at home, a road trip, or for an outdoor concert. Not sure when your recipient will want to use the Lover's Lunch? Gift cards are available that can be used for Lover's Lunches or other in-store purchases.
