One of the most frequently asked questions at the Encore, is “What about boat slip parking at The Encore?”

Bagnell Dam Blvd. has long been known as “restaurant ally” with some of the most successful year-round waterfront and lakeview restaurants at the Lake of the Ozarks. The Encore enjoys the same excellent location and the same great lake views as these other competitive restaurants, and none of them have boat slip access.

The Encore and The Resort are, however, fortunate to adjoin our neighboring Marine Max Marina with over two hundred covered boat slips.

Patrons of The Encore can lease a boat slip from Marine Max and enjoy their own private boat slip at The Encore all year long. We suggest that you get on the waiting list for a boat slip now. Call Marine Max at 573-365-5382.

Bikefest Motorcycles & Cycle Showcase

The Lake of the Ozarks is host to numerous events all year long, starting with Eagles Days which is held at the Encore in January every year. The St. Patrick's Day parade kicks the spring off, with an after parade party hosted by the Encore, then Hot Summer Nights, a custom car show that is held throughout the summer on the Bagnell Dam Strip, just a few minutes away from the Resort, and the Resort as the host hotel. A couple of championship boat races during the summer months, and a fall & spring pub crawl. No doubt, one of the biggest events at the Lake every year is the annual BikeFest motorcycle rally held in the middle of September. Merlyn Vandervort was the founding member of BikeFest back in 2007 and it's grown to be one of the largest rallies in the country. The Encore is one of the passport stops, and the Resort is home to a Vendor Village, and is host to Cycle Showcase, an incredible museum style showcase of some of the finest custom motorcycles in the country.

A Word from the Owners

The history of the Resort started in 1965 when it first opened under the flag of a Holiday Inn Hotel & Resort.

A little trivia: The cast of the Beverly Hillbilly's attended the grand opening.

The only other lake hotel properties at the time were the Lodge of Four Seasons and Margaritaville (formerly Tan-Tara Resort) which were both built a few years earlier. The property flourished for decades, and changed hands a couple of times until it lost its allure from a lack of being maintained, and eventually became a rundown and dilapidated property.

In 2021, local Developer & Entrepreneur Merlyn Vandervort began purchasing this property when he first purchased the restaurant part of the development and then a year later purchased the entire resort.

By mid-2023, after tens of millions of dollars in renovations, additions and improvements the Resort & Restaurant development was completely transformed into the beautiful property that it is today.

Vandervort has been developing properties at the Lake for over a quarter century, including being the founder, builder & developer of Camden on the Lake Resort & The Horny Toad, as well as other quality projects including numerous luxury homes and the Tri-County YMCA.

To all our Valued Encore and Resort Neighbors, Patrons and Guests

We would like to take this opportunity to welcome you to The Encore Lakeside Grill & Sky Bar and the Resort at Lake of the Ozarks, and share some thoughts about our vision, as well as our goals and objectives. We would also like to thank you for your patronage and the opportunity to earn your business.

Our vision was to build the finest Restaurant and Entertainment Complex in the country. A truly quality facility that provides the finest dining and entertainment experience in a casual atmosphere. A place that our local patrons can regularly visit as their favorite neighborhood restaurant and bar, and a destination location for tourists from all over the country. In November 2021 that vision became a reality.

The Encore is much more than just a restaurant and bar, it is a 50,000 square foot Mega Complex. A World Class Entertainment Complex with multiple bars and entertainment performance stages, and over fifteen thousand square feet of banquet, event & convention space. Our lakeside amphitheater and rooftop Sky Bar can accommodate over a thousand guests under one roof and makes the perfect concert venue in an intimate setting. The Encore wouldn't be complete without our incredible "adult only" lakeside swimming pool and swim-up bar!

The Encore Lakeside Grill & Sky Bar would soon be enhanced with the new addition of a luxury Townhouse built directly adjacent to the Encore. The Suites at the Encore include a top floor penthouse plus six luxury hotel rooms, and two luxury executive honeymoon suites. The six hotel rooms and the two executive suites all have balconies or patios and are available for nightly & weekly rentals.

Realizing that the Encore experience couldn't fully realize the exceptional level of excellence we strive to achieve every day, while being surrounded by an old and outdated hotel in dire need of improvements; we acquired the adjacent hotel property in the spring of 2022 and rebranded it "The Resort at Lake of the Ozarks". Following the 2022 season, the hotel underwent extensive renovations and additions, that now compliments the entire, beautiful development that it is today.

This very special place requires nothing less than the very best professionals in the resort and hospitality industry. Our valued team members are the fuel that makes this incredible machine run. Entertainment is and always will be an important part of our business. We are committed to providing great entertainment in a safe and enjoyable atmosphere.

Our goal is to earn our customers business, day in and day out, by providing the highest quality of food, beverage and service in the resort and hospitality industry. The quality of our product and the service our team members provide must always be consistent and second to none. Our entertainment and atmosphere are designed to be fun and exciting for our customers and team members alike. Our Motto: No other Dining, Lodging, or Entertainment Experience comes close!

Websters definition of Encore; "An audiences demand for a repeat performance." A second act. You might say this incredible project is our Encore, our second act.

Thank you again for the opportunity to earn your business, and we hope to see you back soon!

All our Best!
Merlyn & Dawn Vandervort
