A WORD FROM THE OWNERS

We would like to take this opportunity to welcome you to The Encore Lakeside Grill & Sky Bar and the Resort at Lake of the Ozarks, and share some thoughts about our vision, as well as our goals and objectives. We would also like to thank you for your patronage and the opportunity to earn your business.

Our vision was to build the finest Restaurant and Entertainment Complex in the country. A truly quality facility that provides the finest dining and entertainment experience in a casual atmosphere. A place that our local patrons can regularly visit as their favorite neighborhood restaurant and bar, and a destination location for tourists from all over the country. In November 2021 that vision became a reality.

The Encore is much more than just a restaurant and bar, it is a 50,000 square foot Mega Complex. A World Class Entertainment Complex with multiple bars and entertainment performance stages, and over fifteen thousand square feet of banquet, event & convention space. Our lakeside amphitheater and rooftop Sky Bar can accommodate over a thousand guests under one roof and makes the perfect concert venue in an intimate setting. The Encore wouldn't be complete without our incredible "adult only" lakeside swimming pool and swim-up bar!

The Encore Lakeside Grill & Sky Bar would soon be enhanced with the new addition of a luxury Townhouse built directly adjacent to the Encore. The Suites at the Encore include a top floor penthouse plus six luxury hotel rooms, and two luxury executive honeymoon suites. The six hotel rooms and the two executive suites all have balconies or patios and are available for nightly & weekly rentals.

Realizing that the Encore experience couldn't fully realize the

exceptional level of excellence we strive to achieve every day, while being surrounded by an old and outdated hotel in dire need of improvements; we acquired the adjacent hotel property in the spring of 2022 and rebranded it "The Resort at Lake of the Ozarks". Following the 2022 season, the hotel underwent extensive renovations and additions, that now compliments the entire, beautiful development that it is today.

This very special place requires nothing less than the very best professionals in the resort and hospitality industry. Our valued team members are the fuel that makes this incredible machine run.

Entertainment is and always will be an important part of our business. We are committed to providing great entertainment in a safe and enjoyable atmosphere.

Our goal is to earn our customers business, day in and day out, by providing the highest quality of food, beverage and service in the resort and hospitality industry. The quality of our product and the service our team members provide must always be consistent and second to none. Our entertainment and atmosphere are designed to be fun and exciting for our customers and team members alike. Our Motto: No other Dining, Lodging, or Entertainment Experience comes close!

Websters definition of Encore; "An audiences demand for a repeat performance." A second act. You might say this incredible project is our Encore, our second act.

Thank you again for the opportunity to earn your business, and we hope to see you back soon!

All our Best!
Merlyn & Dawn Vandervort
