NEW PIZZERIAS POPPING UP IN OC

04.28.15

Looks as if the pizza craze is in full force! Five new pizza concepts are popping up at several shopping centers in Orange County, and there are delicious pizza-centric concepts already open. Whether you are craving flavorful thin crust pizzas or heartier versions where you can build your own pie, you will be thrilled by the new offerings in Orange County.

Sapori Ristorante just opened its new Sapori Pizzeria next door at Bayside Center in Newport Beach. Sapori Pizzeria features a custom-built, pure wood-burning brick oven imported from Italy

that can fire up authentic Neapolitan-style pies in 90 seconds. Some of its specialties includes Capricciosa pie, with San Marzano tomatoes, artichokes, mushroom, ham, housemade mozzarella, Pecorino Romano, basil and extra virgin olive oil. The signature Sapori pizza will come with grape tomatoes, Sicilian oregano, fresh garlic, basil and extra virgin olive oil.
