

# CORPORATE *and* PRIVATE EVENTS

We specialize in corporate events and offer advanced technology to meet your company's needs. Grille 151 can provide audio and visual equipment and flexible floor plans upon request, making presentations and slideshows effortless.

We also provide private settings for family and friends following funeral services in our beautifully renovated facility. Our Private Dining Room comfortably seats up to 63 guests, and our public dining room is available during the day for larger receptions. Our exceptional staff will attend to every detail, ensuring that during your time of need, everything is thoughtfully covered.
