

Dear Band,

If you are playing inside you may park on the north side of the building on the side street. In the past, they have not ticketed. We will also open that back door for you, just come in and ask.

****We have a HARD STOP at 11 as we have a DJ scheduled for 11:30pm.**

******As soon as you stop it's IMPERATIVE that you move all of your belongings to the designated area directly in front of the green booth. Our security team is available to assist you in a quick and easy exit. As soon as everything is packed and ready, we will then open the back door for you to unload. We can not open the back door until everything is ready to go.***

Each band member will receive a \$25 food/drink comp. To use it just order from the bar and tell them you are with the band.

Payment will be made after the show.

Thank You for being here!

If you have any questions, just ask

Thank you, Fisher
