

Stella's

Divine Wine Club FAQ

How it works!

1. Receive hand-selected wines from Stella's Divine Wine where all our wine is personally selected. Multiple club options are available. If you can't decide, you can always join multiple clubs! Many members opt to join the White and Red Club and receive 4 bottles each month.
2. Each package includes a monthly club bulletin with profiles & tasting notes, plus upcoming events and presales.
3. Pick up your wines at our retail shop in Gulfport, Florida on the 1st Friday of each month 5pm-7pm or anytime during business hours thereafter.

Are there membership benefits?

Yes! Active club members receive discounts, and access to exclusive club-only offers. Club member benefits are activated immediately.

- Automatically receive 20% off all eligible, non-club purchases
- As a valued member, you enjoy exclusive access to club-only offers such as tastings, early sale access, and anniversary specials
- If we still have remaining inventory of wine after the wine club packages are released, we will have it available for active members for exclusive purchase. Wines will be available at retail price to club members for 1 week before it is offered to the public.

What does the 20% club member discount apply to?

The 20% club member discount applies to any full-price retail wine in our Gulfport shop. You must be an active member. Discount does not combine with any other discounts, such as case discounts or promo codes. When multiple discounts or promo codes are applied to an order, only the largest discount will be applied.

Is there a minimum commitment

No, you can close your membership at any time. Memberships renew automatically and are billed monthly, unless canceled in advance. Memberships may be canceled at any time prior to the next monthly billing date by sending us an email to stellasdivinewine@gmail.com or contacting us at (727)-303-0976. Cancellations after this date will apply to the next billing cycle. No partial refunds are issued for cancellations submitted mid-cycle.

You have an option to pause your subscription for up to 3 months. If you choose to pause, your club membership benefits will be temporarily put on hold until you resume your next payment. If your card declines for renewal we will do our best to reach out to you to update your account.
