2022 PANTHERA CHARDONNAY, RUSSIAN RIVER VALLEY

\$36.95 per bottle

Tasting Notes

The Lions Head Luxury Collection demonstrates boldness where you least expect it. "Panthera Chardonnay showcases the dynamism and energy of the Russian River Valley as this wine displays both a vibrant aspect of fruit and a confident oak profile. Aromas of Asian pear and bright stone fruit followed by juicy layers of lemon curd developed from malolactic fermentation and vanilla from the barrel fermentation with a flinty finish. A baseline of toasted oak introduces hints of crème brûlée, which are complemented by a signature backbone of acidity nurtured on the Sonoma Coast." –Stephanie Pope, Winemaker

YLLERA 'PEPE YLLERA' - RED BLEND 2020

\$29.95 per bottle

Tasting Notes

The 2020 Pepe Yllera is a 100% Tempranillo from Ribera del Duero. Garnet-red in color. The nose reveals sour cherry, wild herbs, bay leaf and faint undertones of undergrowth. The palate is dry and rich, with tannins that provide buoyant support to a precise, oaky presence that lingers at the back of the throat.

Region of Origin	Variety	Alcohol	Vintage
D.O. Ribera del Duero, Spain	89% Tempranillo, 10% Cabernet Sauvignon, 1% Merlot	14.5	2020

Special Notes: A great wine to reach for when you want something just a little more substantial than a Rioja but not something that will dominate the meal.

Pair it with Iberian ham or gamier meats, like venison or lamb.
