WHEAT FLOUR 麵粉 SUGAR 糖 FISH 魚  
SOY SAUCE 醬油 TREE NUT 樹堅果  
SHELLFISH 貝類 PEANUTS 花生 EGG 蛋  
HONEY 蜂蜜

To best inform our guests. We have selected the most common ingredients that have been a concern for diet restrictions and food allergies.

All items with noodles, wontons, dumplings, pancakes, or buns are made with wheat.

If the item contains any of the above ingredients it will be listed with that item + Chinese Character on the menu.

We do not have a vegan/vegetarian soup stock at the moment. Any dishes that have mushrooms will be listed.

Egg is the only dairy in our cuisine and listed here if included in the dish.

We have listed honey and sugar for those on a Vegan Diet.  
Any animal byproduct will be listed in the Healthy Vegetable and Tofu Menu

Please ask for a Manager if you need any further assistance
