If your event requires service staff, whether this includes food attendants and/or bartenders, we can provide professional friendly staff at a flat rate of \$250 per staff per 4 hours, \$450 per staff per 6 hours or \$600 per staff per 8 hour. (this includes travel, load-in and clean up time). Any extended time after will incur a \$75 per staff, per hour fee. If your event is out of our service radius of 15 miles, you will also be responsible for a travel fee. The number of staff required will depend on the number of guests, menu and type of service. Please note that this fee does not include a gratuity but will be added for all guest counts over 10.
