

SQUEEZE BOXX

JUICYHAZY IPA

5.6% ALC./VOL. 27 IBU

APPEARANCE:

Hazy & unfiltered, resulting in a cloudy like look. The unfiltered nature of this beer creates a soft, pillowy head that lingers on top, releasing an enticing aroma with every sip.

AROMA:

Expect strong citrus notes (orange, grapefruit, lemon) alongside tropical fruit aromas like mango, pineapple, and passionfruit, driven by the hops.

FLAVOR:

The flavor mirrors the aroma, offering a juicy, fruit-forward taste with a citrus focus.

MOUTHFEEL:

Soft, smooth, and creamy mouthfeel, thanks to the use of oats and wheat in the grain bill.

BITTERNESS:

Lower perceived bitterness than traditional IPAs with an IBU of 27

HOPS:

Citra, Enigma & Eclipse present their bright citrus and tropical fruit notes.

GRAINS:

2-Row, White wheat, dextrin, acidulated, flaked wheat provide a well-balanced body to present the hop flavors on.

SUMMARY:

In essence, a hazy, citrus-forward IPA is intensely aromatic and flavorful, showcasing a fruity hop character and a smooth, easy-drinking finish.
