Carmelita's
FAMILY-OWNED MEXICAN DINING

HERITAGE AS AN INGREDIENT

Theresa, the daughter of Carmelita and Pablo Avilés, is committed to bringing you the same quality Mexican food the original location was known for in the 70's. Carmelitas serves fresh authentic Mexican cuisine with the highest quality organic ingredients and spices. With a focus on healthier options, this menu is comprised of home style recipes that reflect the Avilés' rich Hispanic heritage. As a person with celiac disease, she wanted to bring her flavors to the table and offer a variety of gluten-free dishes. Many items are named after her family!
