HAND WORK

3D DYNAMIC SCENE GRAPH DESIGN

We specialize exclusively in the hospitality industry and have extensive experience executing large commercial projects in the around the globe.

Our designer team with 6 experienced designers, practical hand-on in the catering for average 10 years. Our designer team produces hundreds of designed products per week, including business design, new product development, product design, service design, web design, graphic design, production design, typography design, architectural design, interior design, furniture design, ceramic and glass design, etc.

For interior design, we can come out interior scheme design, CAD construction drawing, fast modeling of Sketchup structures, 3D dynamic scene graph design. Our designers have a deep foundation in restaurant interior layout scheme, construction technology and material application, and other buildings and drawings.

For industrial design(product design), our inspiration comes from customers, from the customer's point of view, think out an unique product concept. So far, we more than 10000 products meet the need of 6000+ restaurant owners.

From product preproduction design to dynamic scene graph design, We support one-stop design service, help you to save 80% design cost. In addition, our product system with more than 10000 products save you up to 65% cost. We are with you every step of the way, providing you end to end solutions including design, logistics support and quality control.

We have successfully facilitated **6000+** satisfied customers to date in over **89** countries around the world including some of the world's larger restaurant groups to small boutique hotel brands. Such as Outback Steakhouse, Al Aseel arabic restaurant, Doltone House, Fuddruggers hamburgers, Hungry Jack, Crinitis italian restaurant, Zaafran indian restaurant, etc.

We is not focused on the size of the next sale but about the future relationship it can create with its client partners. With long standing clients we boasts continued business relationship with the same clients for more than 15 years. We look forward to creating the same ongoing partnership with you. We are the hospitality specialists you can trust.
