

DINE & DONATE REQUEST FORM

We're committed to extending hospitality and generosity beyond our restaurant and into the communities that support them. We will consider all Dine & Donate requests submitted but focus our charitable efforts on K-12 education and activities, as we believe supporting kids is the most powerful way to give back.

Please fill out the below form and submit it at least two weeks prior to the Dine & Donate date requested. We will respond within a week. Please note that the amount donated is 10% of sales (not including sales tax) for the approved date.
