CARAWAY'S

BAR & GRILL

Our sports bar and grill in Countryside is more than just a place to catch the game—it's a vibrant community hub where great food, drinks, and good times come together. We offer an exciting atmosphere with 13 TVs broadcasting all the big games, four slot machines for added fun, and a fantastic selection of 8 tap beers along with a wide bourbon and tequila menu. We serve fresh, elevated pub food and our team is dedicated to providing excellent service, ensuring every visit feels special whether you're here for a quick bite or celebrating a special occasion. Inspired by Carol & Wayne Molis and featured in Hillgrove Avenue Magazine, we take pride in being Countryside's newest premier sports destination. Plus, you can call CaraWay's for your next self-pickup catering event or party. We can't wait to welcome you—come see why we're the talk of the town!
