How to Order: Please call Carolyn Ziliak, our catering director, at 614-805-4976. You may also call our retail shop at 614-228-2850 if you need immediate attention. For events two weeks or more in the future, please allow up to 48 hours for a return phone call or email.

Rental items: We have had a long relationship with Lasting Impressions Event Rental at 614-252-5400. They will be happy to help you with your rental needs if you choose to handle them on your own.

Plasticware: We are happy to provide a quote. We have different options depending on the type of event you are hosting. Please inquire.

Service Cost: We have a great team of servers and bartenders. Service personnel are \$24/hour with a minimum of 4 hours. Banquet captains are \$26/hour. We recommend one attendant per every 25 – 50 guests depending on the type of event. Breakdown of tables and chairs at the end of the event will require additional charges.

Event Planning Fee: Our Luncheon and Banquet menu prices do not reflect the additional time required to plan larger events. A 20% fee will be assessed on events requiring multiple phone calls, meetings, and revisions. Trust us, we don't like extra fees either, but we promise to exceed your expectations!

Deposits and Final Counts

A \$100.00 non-refundable deposit and signed contract are required to reserve your date, and the final bill is due at the conclusion of your event. Final guest counts are appreciated at least 10 days in advance, unless a different timeline has been approved. Fees imposed by a Synagogue, Temple, Church, or other facility will be passed to the client with no additional cost.
