We are deeply proud of our hardworking staff, our loyal customers, and the community that has supported us for **95 years.** From everyday meals to lifelong memories, the Paramount remains a place where neighbors connect and kindness is always on the menu.

"Love, love, love this diner; has changed life in Squan for the better. Very nice folks, great food, good prices, friendly service."

James D., Manasquan, NJ

"We have been coming here for awhile now, it's our home away from home on weekends whenever we are at our home in Belmar. We go back and forth all year long but never miss an opportunity to come here. First thank you Mike and Linda for always being so welcoming, we feel like family whenever we stop in. The food is always delicious, fresh and plentiful. The hardest part for me is changing what I order! I tend to stick to a few favorites only because I like them so much...Can you say Vege Benedict! Yum! The staff is very attentive and knowledgeable. A wonderful experience, year round and it never disappoints. (...) Try it, you'll be glad you did! Support a local family business."
