

## **Franchise/License Information**

***Limited Franchise/License Agreements are now available for owning and operating your own Village Deli & Grill***

Upon the opening of the 1<sup>st</sup> store in 1996 the idea and goal was to offer a rustic, cozy, family atmosphere providing customers with great service and quality food with a large selection of homemade products. We feel that we are meeting our goal and now have in place the management structure; support and control to meet our objective and maintain consistency in our stores. We are now offering an opportunity for selected individuals to expand our concept.

We currently have two franchise/license locations open and operating in the Raleigh/Durham area.

We offer the following for any approved licensee:

- site selection and lease assistance
- plan layout, equipment selection, and store design
- training and management assistance
- proven menu
- established food and beverage vendors in place
- homemade recipes, and food prep training
- proven customer acceptance
- access to software systems and controls

As a guide-- the serious franchise/licensee should consider:

- minimum estimated investment of \$650,000 for store build out and equipment
- initial one-time franchise/license fee of \$12,500
- monthly franchise/license fees of 2% of gross sales
- restaurant experience required

If you have serious interest in discussing a franchise/license agreement with the Village Deli & Grill please email: [krista@villagedeli.net](mailto:krista@villagedeli.net)
